## Capability Statement

As a Certified 8(a) small business, Protect Security, LLC is a dynamic and evolving security partner. We are a thriving security provider, serving a diverse client base with dedication and professionalism. Passionate about our work, we leverage our expertise to build meaningful connections with businesses across multiple industries. Our unwavering commitment to excellence distinguishes us, allowing us to consistently deliver high-quality security solutions tailored to meet the specific needs of each client.

### Company Profile

Since its inception in 2008, Protect Security, LLC has been dedicated to providing exceptional, customized solutions across security, construction, and facilities management sectors. Our core expertise in security guard and patrol services reflects our commitment to delivering tailored on-site security solutions. Additionally, we offer specialized capabilities in commercial building construction, facilities support, and electrical contracting, ensuring a comprehensive approach to managing construction sites and critical infrastructure.

Protect Security, LLC has recently expanded its offerings to include tree trimming and landscaping services, further enhancing our ability to support clients with exterior maintenance and site management needs. These services complement our existing portfolio, providing integrated solutions that address the full spectrum of property and infrastructure upkeep. Whether it's securing construction zones, managing vegetation to improve safety, or maintaining compliance with environmental regulations, we deliver with precision and professionalism.

Our strong customer retention rate of 95% and a satisfaction rating of 90% reflect our dedication to excellence. By combining security protocols with expertise in investigative services, administrative management consulting, and exterior site maintenance, Protect Security, LLC continues to meet the diverse needs of government, commercial, and residential clients. With a proven track record and a steadfast commitment to quality, we stand ready to meet the evolving demands of our clients and ensure the success of their projects from start to finish.
